Our need

This is an invitation to take part in the work of your Catholic parish.

Parish of Saints Peter and Paul annual revenue and expenses

Our need is focussed on the **Second Collection** for the support of the parish

- We expect our ongoing payments to be around \$300,000 per year for the next 10 years.
- We have a report setting out the projected costs of major maintenance works required over the next decade – it will be at least half a million dollars.

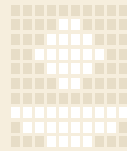

In addition we have our regular major items:

- Loan repayments and interest costs
- Wages
- Insurance
- General running costs: repairs, cleaning, etc.

Our income from sources such as weddings and hall hire fees cover only a tiny fraction of our financial commitments. Our ability to meet these financial commitments depends almost entirely on the ongoing support of you, our parishioners.

Your help

Your financial contribution to the parish planned giving program will ensure that the church of Saints Peter and Paul will be here for you week in and week out, offering pastoral care and spiritual inspiration for every moment in your life.

To ensure a regular reliable income for the parish, we are asking you to make a **pledge**. How much can you contribute each week? Your considered gift will make an enormous difference to the work the parish is able to do in our local area. Consider, for example, giving **one hour's salary each week**. Some parishioners are doing this already. Will you join them? Your pledge will let the parish plan for the future.

- The traditional way of making your contribution is to ask for a set of envelopes that you use each week at Mass when the collections are taken up.
- However many people find it much more convenient to arrange a recurrent periodic payment by credit card or direct debit. You know it is done regularly, you have a record of it and we don't have to count and bank the money! For the symbolism of making an offering at Mass, you are welcome to ask for a set of envelopes and write CC or DD on them.
